

Personal Adult Matters

- Intercourse will immediately break the fast irrespective of whether there was ejaculation or not, necessitating Qadhaa and Kaffarah if done whilst being aware of ones fast.
- Masturbation will break the fast upon ejaculation.
(note: Masturbation is not permitted)
- Kissing ones wife does not break the fast as long as the saliva of ones partner has not been ingested. However, one should avoid it.
- If a lady inserts a pessary or tampon it will not break the fast. However due to a difference of opinion caution should be exercised and should be avoided)
- A wet dream will not break the fast.
- Pre seminal discharge (Mazee) does not break the fast as long as no ejaculation has taken place.

One should avoid any circumstance or act that could lead to ejaculation whilst fasting.
