- It is the pillar of Deen (religion).....

Conditions of Salaah

- 1) Body must be clean
- 2) Clothes must be clean
- 3) Place must be clean
- 4) Qiblah
- 5) Body must be covered (Satr)

Cleanliness of the body

1) From VISIBLE IMPURITIES

Flowing blood, pus, matter	What’s the ruling on?
Urine, stool of humans or animals	Non-flowing blood?
Saliva/Sweat of a dog/carnivorous animal	Cat’s saliva? Sweat?

Istinjaa : Istinja refers to the cleaning of the private parts after urinating or defecating . It is best to use both toilet paper and water.

Always use LEFT hand to wipe or wash.

Using toilet paper: for urine, dry wipe the private part a few times till no trace of any drops of urine remain. (better to use odd number of times, 3 times is preferred). After passing stools, wipe 3 times.

Using water: after wiping with toilet paper wash with water. Pour water with the right hand and use the index & middle finger of the left hand to gently rub of any matter from the point of exit and its surroundings.

Thereafter one can use toilet paper to dry oneself.

2) From a STATE OF IMPURITY

There are 2 States of impurity – One requires **Wudhu** (Minor), the other requires **Ghusl** (Major)

A) Requires Wudhu	Notes
Anything that emits from the two passages	
Any impurity that emits from the rest of the body

B) Requires a Ghusl (shower/complete body wash)

Wudhu

We require wudhu for:

- ✓ Salaah ,
- ✓ Circuiting the Ka'bah

Allahu Akbar

اللَّهُ أَكْبَرُ

Allah is the greatest

Subhaana kallahumma wa bihamdika wa tabaara kasmuka

سُبْحَانَكَ اللَّهُمَّ وَبِحَمْدِكَ وَتَبَارَكَ اسْمُكَ

Glory be to You, O Allah, and all praises are due unto You, and blessed is Your name

wa ta'ala jadduka wa laa ilaaha ghayruk

وَتَعَالَى جَدُّكَ وَ لَا إِلَهَ غَيْرُكَ

and lofty is Your majesty and none is worthy of worship but You.

Halaal & Haraam (the Lawful & the Prohibited)

CONSUMPTION: All vegetables/plants are Halaal as long as they are not poisonous or fermented to the extent that they have become intoxicant.

All animals beside fish which have been killed without the name of Allah taken on them.

1 . Belief in Allah

Belief in Allah is not confined to belief in the mere existence of a Creator. This belief necessitates the affirmation of Allah with all His Attributes in the way in which these are expounded in the Qur'aan and Hadith.

1	Allah is ONE.	Notes
2	He alone is worthy of worship and none besides Him is worthy of worship.	
3	He has no PARTNER	
4	Nothing is hidden from Him, He even knows the thoughts that go into a person's mind.	
5	He is the most POWERFUL.	
6	He has created the earth, the skies, the sun, the moon, the stars, the angel, human beings and the whole universe.	
7	He gives life and death.	
8	He is forever and will be forever.	
9	He does not eat, drink or sleep.	
10	He does not have any parents, wife or children.	
11	He does not depend on anybody. All depend on Him.	
12	Nothing resembles Allah, and He resembles none.	
13	He is pure from all faults	
14	He does not have eyes, nose or a body like that of human beings	
15	We should therefore PRAY to HIM for all our requirements.	

6 valuable advices

Jabir ibn Sulaim reported: I saw a man whose opinion was followed by everyone and no one would contradict what he said. I asked who he was and I was told he was the Messenger of Allah, peace and blessings be upon him. I said to him twice, "Upon you be peace, O Messenger of Allah." The Prophet said, "Do not say upon you be peace, for that is the greeting for the dead in the time of ignorance. Rather say peace be upon you." I asked, "Are you the Messenger of Allah?" The Prophet said, "I am the Messenger of Allah, Allah who will remove your affliction when you are distressed and you call upon him, who will cause food to grow for you when you are starving and call to him, who will restore your lost animal in the desert when you call upon him." I said, "Advise me" . The Prophet said,

1. **"Do not be abusive to anyone"**

Jabir R.A. says , "Since then I have *never* abused anyone, neither a freeman, nor a slave, nor a camel, nor a sheep"
