Are Your sins equal to the grains of sand in the desert???

Abu Saeed Khudari R.A. narrates that Rasulullah (صلى الله عليه وسلم) has stated that :
whoever recites the following Dua three times when laying down to sleep, Allah will
forgive his sins even if they are equal to : *the foam of the ocean, or equal to the
number of leaves on the trees, or as much as the **grains of sand in the desert** or
as many as the amount of days of this world.* The dua is:

أَسْتَغْفِرُ اللَّهَ الْعَظِيمَ الَّذِي لَا إِلَهَ إِلَّا هُوَ الْحَيُّ

الْقَيُّومُ وَأَتُوبُ إِلَيْهِ

ASTAGHFIRULLAHAL ATHEEMAL LATHEE LAA ILAAHA ILLAA HUWAL HAYYUL
QAYUM WA ATUBU ILAYHI

*I seek forgiveness from Allah the Supreme, whom there is none worthy of worship besides Him, the Everlasting, the Sustainer
of life and I turn to him in repentance.*
