Rasoolullah (Sallallahu Alaihi wa Sallam) eradicated all superstitious beliefs. Time, day, week, month, year is an estimation and effected by the will of Allah. There is a host of corrupt beliefs regarding this month. True and sincere Muslims should refrain from them and engage in beneficial deeds. In reality, no time or individual is evil originally. All the customs and beliefs of Sa-far are baseless. Many people have erroneous beliefs regarding this month i.e. it is a month of misfortune and calamities. The teachings of Allah Ta'ala and His Most Beloved Rasool (Sallallahu Alaihi wa Sallam) give us clear guidelines on such incorrect beliefs. Allah (Subhanahu wa Ta'ala) says in the Qur'an al-Kareem: **"No misfortune befalls except by Allah's command..."** [Surah Tagabun, Verse 11]

These erroneous beliefs have also been condemned in the context of the following Ahadith: **There is no superstitious owl, bird, no star-promising rain, no bad omen in the month of Safar.**[Sahih Bukhari, Hadith 5707]
