Hardships and Calamities..... Not in Vain

"And surely We shall try you with something of fear and hunger, and loss of wealth and lives and crops; but give glad tidings to the patient, Who says, when afflicted with calamity: "To Allah We belong, and to Him is our return." They are those on whom (descend) Blessings from Allah, and Mercy, and they are the ones that receive guidance." (Qur'an 2:155-157)

Life is a journey full of ups and downs; it is an obstacle course that requires us to continually navigate and overcome challenges with faith, patience and with a positive attitude. Every challenge we face and navigate strengthens our will, confidence, and our ability to conquer future obstacles. The Qur'an teaches us that life is a test; we are temporarily placed on earth so that we may be tried through circumstances of adversity and prosperity.
